FIS Nordic Junior World Ski Championships 2021

FIS U23 World Ski Championships Cross-Country 2021

On behalf of the International Ski Federation and the Finnish Ski Association, the Organizing Committee is pleased to invite all member associations of the FIS to participate in the FIS Nordic Junior World Ski Championships and U23 World Ski Championships Cross-Country from 8th to 14th of February in 2021 in Vuokatti, Finland.

Vuokatti OC welcome you all to FIS Nordic Junior & U23 World Ski Championships to Vuokatti from 8th to 14th February 2021. Our experienced organization with all students and volunteers are happy to host the next generation of skiers and will provide the best possible conditions that the teams can focus on their performance.

We are excited to organize a super interesting 6 days of competition. We expect more than 40 nations with 600 xc-team members in Cross Country to challenge each other.

I believe that during the games we are going to see future stars coming up. The main idea of organizing the competition is that young people plan the competition for young people. We will do our very best that the atmosphere will be high and everyone in teams with its athletes, officials, media, volunteers, spectators and the organization will enjoy their stay in Vuokatti.

Best Regards,
Secretary General, Ann-Mary Ähtävä
